ARRIVED.

So Jones Mex 31 his country's good. And it is good to know against the extension of slavery into the His dress was a plain blue-black frock, which that his last days were spent in untiring devotion to the flag of his country, and that his last strength was expected in urging on the patriot hearts of all who looked to him as their political head, in the defense of their sentatives, where he has since distinguished the flag of this country, and that his his was elected to the U.S. House of Representatives, where he has since distinguished to his place readily, and read audibly, making all the exponses, and rising at every little to the days were spent out-oback floor, his dress was a pain out-oback floor, which he kept buttoned with one button; his pants were of the same cloth; his collar, the old fashioned stand up, which was held tight to his half shorn, full cheeks by a military stock. He found his place readily, and read audibly, making all the exponses, and rising at every common country. As such, let us remember himself by his hold, active labors.

In this present contest Mr. Blair has been foremost in the work of sustaining the parties.

Stephen Arnold Douglas was born at Brandon, Butland country, Vermont, April done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year after year, in a slave State, and done, year, the Scategold years after year, in a slave State, and done, year, the Scategold years after year, in a slave State, and done, year, the Scategold years after year, in a slave State, and done, year, the Scategold years after year, in a slave State, and done, year, the Scategold years after year, in a slave State, and year, the Scategold years after year, in a slave State, and years after year, in a slave State, and year, the Scategold years after year, in a slave State, and year, the Scategold years after year, in a slave State, and year, the Scategold year, common country. As such, let us remember himself by his hold, active labors.

23rd, 1813. He lost his father while an infant, and his mother being in reduced circumstances, he entered a cabinet shop at an comstances, he entered a cabinet shop at an his labors as a reduced believed in the band, and as it turn-early age, at Middlebury. Returning home tear service. Heading not the fulminated the leaves to every lesson, I said to myafter a time, in 1831 he removed to this city, tions of the rebel government of his State, welf, What a history has that hand! how (Cleveland,) where been tered upon the study of law in the office of Hon. S. J. Andrews, and the short residence here, he raturned to be has done much to strengthee the Union Lane and Maxics; how it has now, for weeks Jacksonville, Illinois. Here he spent some feeling in the State, and to counteract the and months, been mapping out the plan of time in teaching school, devoting his spare evil influences of the treacherous Executive. the campaign, which is every day and night to the study of law. In 1834, he was He has command of one of the four volun- becoming a victorious history. Let none dmitted to the bar, and by his ability and | tee regiments, which have been raised in anenergy, speedily rose to a high position, be-ing elected Attorney General of the State, give as good an account of himself upon the before he was twenty-two years of age. He field as in the half of political discussion. before he was twenty-two years of age. He also sat upon the Supreme Beach of Iilinois, and in 1835 he was elected to the U.S. House of Representatives, and at the expiration of his term of office, was appointed by President Van. Buren, register of the Land Office at Springüeld, Illinois. During this of the country whose interest it is to have and five had shared its honors, and as late and that was a good deliverance. The sermon was by the chaplain of the 7th Regiment, and was not very complicantary to one Judice, whose treachery he depicted; and as he rounded to in the peroration he said there was a treachery of our dars which was almost equally surprising and base; it was that of men who had seen the glory of the country, whose interest it is to have time he rapidly rose as a public man, being of the country, whose interest it is to have and fing, had shared its honors, and as late as possible, had drawn their salaries, but who there for four years, when he was transferred from the House to the Senate. His blatory in connection with the "Compromise Meas-from New Orleans, who says that the statement he continued some time, and at every pass he made at the Judases, and intimated that ures," is well known, and also his campaign made that a British vessel had brought to of 1858, as opposition candidate with Abra- New Orieans 275,000 stand of arms, is untrue. like Judas go and being themselves, the old ham Lincoln for the U. S. Senatorship for He was on board of the vessel, and having General nodded his gray curis, and magnificent head, giving assent to every pusage, and almost rising up to each up the truthful Presidency a year ago at Saltimore, ed from the officers that no arms had been and patriotic words. and during the campaign did an immease brought out in her at all. They said, howamount of travelling and speaking. Although ever, that they had heard at Liverpool that a man of lion constitution, the labors of that arms water to be sent to New Orleans by a campaign were too great for him, and be has Bremen vessel. been much broken down since its closs.

The Forces in Virginia.

A correspondent of the Pittsburgh Chroncandidates, anxious to initiate their men into
the North, strong with the consciousness of
the North, strong with the consciousness of The Forces in Virginia. icle says that the federal soldlers captured a the style of living most in vogue with army Securion flag at Grafion. Thirty-two little soldiers in active service, invited the members with all the requisites of successful warfare, girls, draped in white, came out from Grafic to a feast, of which the following is the bill ton after the Securionists had ron; to cheer of fare: ton after the Secondonists had run; to cheer of fare: the citizen troops, and bid them welcome, and the women cried and shouted with joy. One of the soldiers told him that they were thleves, as before stated-pillaging and robling the whole neighborhood.

The first number of the evening edition of the Morning Leader came to hand last og, through the unwearied kindness of the Esperar Messenger of the Clereland & Toledo Railroad. It will turnish the latest news up to the evening reports and will be a desideratum to those who are so circumstanced as to receive it. We are in for the Evening Leader, and hope the Publishers will remember us with it daily.—Sandarky

You shall not be forgotten, brothers of the Register.

Blopesal of the Prisoners. The question having been very properly mooted as to what the United States Gov segment ought to do now and hereafter tered, except the pulpit and pew in which Washington sat. It has been kept in good ith the captured rebels, we venture a repair, both within and without, and looks word upon the subject. In our opinion they ought to he sent

North and imprisoned in the many fort-resses scattered throughout the Northern States, and which can hardly be put to better purpose at present. We know sever-af in our own State which might be used in

The rebels might thus be kept in con-finement till the end of the war and then where he did, and thought if "Angels and unsement till the end of the war and then tried for treasen. Small companies of valuateers only, would be required to garrison these for resses and keep guard over the prisoners. Many who are prevented from active participation in defence of their country, by circumstances beyond their country, by circumstances beyond their country, by mear their friends and their country, by near their friends and acquire, sees knowle go of military disci-pline, by acting as guards over the prison-

Charleston harbor says: The above proposition from the Detroit On Sunday last a warlike demonstration are stated as for as the constration and sunsible. And being there, is feasible and considered as for as the bar by the armed at their own support, peniturally restricted, by performing all the labor necessary to strengthen or keep in repair the fortrance which are med their own could bring them within range of our eleven-inchers, they popped in over the bar, and made for the city. By their many point of getting married, is desirous of metallic states and other semilities of was, for

and sweep the last vestige of reason from

loyal States will unite in celebrating the na-

sional anniversary. Of the ninety thousand, thirty-five thousand will push onward from

this point towards the Blue Ridge, to meet the rebels in bat is should they attempt

the recreat of their secondon forces at Harper's Ferry. Twenty thousand will in-vade Virginia soil under General Patterson, from southeastern Pennsylvania. Twenty thousand, under Gen. McClellan, will cut

their way towards Winchester and Stras-burg, and fifteen thomand, under Gen. Bul-ler, aided by a naval force, will gradually make their way up James river.

Gen! McGlellan will not trace the wind-ings of the Baltimore and Ohio Baltroad after

sionists in that section and diversions to-

rards the southwestern portion of the State. The control of the railroad extending from

Richmond, via Lynchburg, across Southern Virginia, through Tennessee, is said to be one of the main points of Gen. Scott's plan

for the summer campaign. With its poster-sion, and the occupation of Memphis, seces-sion in Tennessee will soon be crushed out.
